RULES **

Classes ,2,3,5,6,8,9

USEF: Table II, Sec. 2 (b)—The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. If a competitor has gone clean in the first round, the competitor will, without leaving the ring, upon an audible signal, commence the designated jump-off course. A competitor with a clear round may dismount, and with assistance if necessary, adjust tack and/or equipment; however, upon the audible signal to begin his/her round, the competitor is responsible to adhering to the 45 seconds rule . A competitor who leaves the arena after a clear round (before or after the tone) will be considered to have retired from the jump-off. If there are no clean rounds and a tie exists for first place, there will be one jump-off in which time will decide in the event of equality of faults.

Add back classes- To be eligible for money back, you must enter all classes in that division. 75% of the class fees will be added to the pot and will be distributed as below:

- 1st: 50%
- 2nd: 25%
- 3rd: 15%
- 4th: 10%

Attire: helmet required, but otherwise dress for comfort.

Parking for shows when indoor is being used: To allow room for trailers and our boarders, cars need to park in parking areas along the drive before entering the red gate.
